## About Vogel's

What began as a personal quest for perfection has evolved into an international successful company that manufactures a highly distinctive range of mounts and support systems for audio/video & multimedia equipment. Vogel's products combine versatile functionality and robust performance with sleek design. For almost 50 years, Vogel's solutions have been based on the talent and commitment of people who care passionately about the products they create and the customers who use them.

Since developing the world's first loudspeaker mount in 1973, this Dutch company has produced a steady stream of award-winning solutions that make people's lives more enjoyable. Today, Vogel's is renowned for its outstanding line of mounting solutions for TV and displays, audio/video equipment or tablets. You will find Vogel's everywhere, not only in living rooms, bedrooms and kitchens, but also in major airports, shopping centres, restaurants, hotels, football stadiums and hospitals. All products are developed to provide an extra dimension of personal comfort for today and tomorrow.
